Osage® Food Products

Exclusive Cr.01 distributor

The brands that will define the next decade of human nutrition are being built right now. They share something: an unwillingness to compromise on what goes inside their products. Jenerise Cr.01 (Precision-Grade Creatine Monohydrate) exists for those brands. Not as a commodity input. As the ingredient standard, independently verified, precision-engineered, and backed by more than 30 years of category expertise that no other creatine supplier can claim.
